I Will Never Live a Lie Again...

> <meta name="GENERATOR"> p9 Once I lived a lie,
>Thinking, Beleiving it was true.
>I found out it was untrue.
>I will never live a lie again.

I will never be the same,
>my heart was snapped in half.
>The part with emotions I stowed away.
>The strive to be myself,
>It was gone,
>So I made a new me.

Now I'm living in my computer,
>I trust it, it can't hurt me.
>It will not break my heart,
>Thats what I trust.

Now that I have new friends,
>I feel the second part coming back.
>My heart may someday be one again.
>I'm not sure that I want that.
